

## Market Square

Brymo

Anger razor go slash through weilder too  
To hold person back, you go stay back to make sure  
To hold person down, you go stay down to make sure  
The warder one kind na prisoner too  
Huh!

Na wa for these people oh  
They burn their barn down say na the scribe do am oh  
Na wa for you people oh  
I dey go market square I go get justice for there

My passion strong, my reason clean  
I get knack for do things proper  
To take person job, you go dey there to work am  
If you no know yourself, you no fit talk say you clever

Everybody don gather round for market square  
Reproach dey come with him mama Karma  
Hin sister bounty  
Everybody don sit around for market square  
I dey go there you hear, na my matter dey for air

Plenty plenty wa for you people oh  
They burn their barn down say na me cause am oh  
Na wa for those people oh  
I dey go market square I go get justice for there

Everything green for me, for you oh  
The people wey start the fire, na them broadcast am oh  
Na wa for those people oh  
I just return from market square na me and bounty for here
