

Naked

Brymo

The other day I fell out with the Police
The shot he took was to send me to my peace
Is the ego my only disease
To do right
When no one else will

But it will be worth it
Though I don't deserve it
Take all I have please
Love me leave me naked

Ihoho ni mo wa oh
Ihoho ni mo wa oh
Ihoho la ba wa
Ihoho ni mo wa oh

I've carried a cross
That's not my own alone
I've fought a war against my own
I know
Lost it all and fortunes return
You alone knew me all that time

And it will be worth it
Though I don't deserve it
Take all I have please
Love me leave me naked

Ihoho ni mo wa oh
Ihoho ni mo wa oh
Ihoho la ba wa
Ihoho ni mo wa oh

Ihoho ni mo wa oh
Ihoho ni mo wa oh
Ihoho la ba loh
Ihoho ni mo wa oh

And it will be worth it
Your love I don't deserve it
Take all I have please
Love me leave me naked
