

When them ask wetin you fit do, for here  
Inspiration go pull you through, them go hear  
Dem dey lose themselves to break you, here  
You hip you hop, you no bruise for where  
The forces dey behind you, my dear  
Even your misadventures bear good fruit, well  
Intentions pure go guide me there  
Love na my parlor do here

No listen pim pim  
Deliberate work dey pay listen  
Follow your heart, e no easy  
Life not harder, oduimi

No listen, pim pim  
Detractors detract listen  
Na toxicity be the reason  
Be real na backbone for good thinking

The matter plenty and the truth, there  
But every turn na your own too, my dear  
No let greed trample the truth, you hear  
Life dey sing your favorite tune, you dey hear

No listen pim pim  
Deliberate work dey pay listen  
Follow your heart, e no easy  
Life not harder, oduimi

No listen, pim pim  
Detractors detract, listen  
Na toxicity be the reason  
Be real na backbone for good thinking, yeah

Survival get hin own rules, yeah  
Hear your words before you spew them  
Check your history the truth full there  
Inspiration dey guide you through, there

No listen, pim pim  
Follow your own rules strictly  
Deliberate work dey pay listen  
To betray self na high treason

No listen, pim  
Advise wey bitter, the truth e be  
You dey hunt corruption for my country  
Nearly everybody go go prison  
No listen, pim
