

Prick No Get Shoulder

Brymo

You old enough to fuck
You old enough to know
No body gives a fuck
Your wahala na your own
You like to kiss the ass
He hit you when he fart
You take am take fat
Your wahala na your own

If e sweet o
I go chop am slow slow
Awuf dey purge o
No talk say you no know
To say no na reason
To say yes na prison
Hear me so
I dey scream am ooo

Prick no get shoulder
E no get shoulder
Prick no get shoulder
You put the head
The rest go enter
Prick no get shoulder
E no get shoulder
You put the head
The rest go enter
Prick no get shoulder

Be careful who you fuck
Be careful where you go
Make you do the thing you talk
Your karma na your own

If e sweet o
I go chop am slow slow
Awuf dey purge o
No talk say you no know
To say no na reason
To say yes na prison
Hear me so
I dey scream am ooo

Prick no get shoulder
E no get shoulder
Prick no get shoulder
You put the head
The rest go enter
Prick no get shoulder
E no get shoulder
You put the head
The rest go enter
Prick no get shoulder

For this world
Wetin you sow
You must to rip

Na true thing
Nahin I talk
We no dey chop
For where we shit
Make we go slow (sote sote)
Preogress dey come so
Hear me so so
I dey scream am o

Prick no get shoulder
E no get shoulder
Prick no get shoulder
You put the head
The rest go enter
Prick no get shoulder
E no get shoulder
E no get shoulder
You put the head
The rest go enter
