

# The In-Between

Brymo

It's the in-between  
Scared of sleep  
The in-between  
You drown I'll swim  
Keep walking, keep talking, keep running do something

The in-between  
Your help is coming  
In all you ever seen  
You drown I'll swim  
Keep crawling, keep walking, keep running, do something

The in-betweens  
The sheer and greed  
They shape our souls  
They build our hope  
Keep running, keep walking, keep talking, do something ah (sing again)

Keep walking, keep running, keep talking do something aw  
Keep running, keep walking, do something, keep talking awww  
Keep running, keep walking, keep talking, do something aw

The smooth it seems  
It ain't what they seem  
They build our hopes  
They build it all
