

# The Phoenix

Brymo

I had no defense  
Constantly repressed  
I gave up my wave on

I'll do it all again  
Every little thing  
I run and climb mountain tops

And I have no regrets

Rain down on me  
Rain down on me  
Rain down on me

I've been up and I've been down  
Lost my way, came back around  
And I have no regrets  
I've been down and I've been up  
Lost my way, came back on top

And I have no regrets

You had no remorse  
Let our bubble burst  
So I gave up all my cause  
No home so I roam

I've been up and I've been down  
Lost my way, came back around  
And I have no regrets  
I've been down and I've been up  
Lost my way, came back on top  
And I have no regrets

Rain down on me  
Rain down on me  
Rain down on me  
Mercy, mercy (mercy)

Rain down on me  
Rain down on me  
Rain down on me  
Mercy, mercy
