

# Without You

Brynn Elliott

Oh no

I didn't mean to, I didn't meant to fall  
But baby I fell, I fell  
You got me feeling, you got me feeling  
Things that I never felt, mmh-mmh

Yeah, 'cause I lived darker days  
Before you ever came my way  
I don't want nothing to change  
Oh yeah, you light me up, you light me up

I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you, without you  
I don't wanna, I don't wanna, I don't wanna sleep  
I don't even wanna have another dream  
Without you, without you  
'Cause when you're by my side, it feels like paradise  
Until those gates of gold, you know I don't  
I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you, without you

Hard to believe it, hard to believe  
That leaving you would end well, end well  
'Cause through every season, through all the fights  
I still want nobody else, mmh-mmh

Yeah, 'cause I lived darker days  
Before you ever came my way  
I don't want nothing to change  
Oh yeah, you light me up, you light me up

I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you, without you  
I don't wanna, I don't wanna, I don't wanna sleep  
I don't even wanna have another dream  
Without you, without you  
'Cause when you're by my side, it feels like paradise  
Until those gates of gold, you know I don't  
I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you, without you

I swear the skies are brighter blue when you're beside me (when you're beside me)  
I swear my feet are lighter too, it's like I'm flying, yeah  
If I said I'm good without you, then I'd be lying (I'd be lying)  
The only one I wanna choose, there's no denying

I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you, without you (no, no)  
I don't wanna, I don't wanna, I don't wanna sleep  
I don't even wanna have another dream

Without you, without you  
'Cause when you're by my side, it feels like paradise  
Until those gates of gold, you know I don't  
I don't wanna, I don't wanna, I don't wanna live  
I don't wanna, I don't wanna, I don't wanna live  
Without you (no I don't), without you (no I don't)
