

# Always

Bryson Tiller

Oh, oh  
Oh, yeah  
Oh, baby  
Oh, woah  
Oh, woah  
Oh, baby  
Oh, woah

But I'm telling you, you know sometimes we  
Sometimes we fight (oh, baby)  
Sometimes we argue (oh, baby)  
Know we don't get along sometimes but (no I ain't giving up on  
you)  
(Baby) I could never give up on you, baby, ever  
(No I ain't giving up on you, baby)  
(Hey baby, know we got a lot of work to do) Don't you give up o  
n me (yeah)  
Only way we gon' get through this is if we work together (oh no  
, no, no), for real  
If we work together (oh I want you forever) we can get through  
this  
And we could last forever, I don't think I could get over you (oh baby)  
(You will always be my baby) You were always, that's truth, yea
