Oh, oh
Ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh

I don't know your intentions, no, you can have my digits
So quit playin', know you miss me, your body on my body
My heart been on a million, those men won't get attention
Just say what you've been missin'
My heart callin' out for you, baby
Baby, are you listenin'?
Oh, oh, baby, please, are you listenin'?

Girl, you know I've been missin', I know your intuition
I thinking 'bout positions, your body on my body
Tell me if you listenin', I'm ready for sentimental kissin' to this i
nstrumental, oh-oh, oh-oh
Girl, I'm ready to pull up on you, ooh, girl
Tell me what you wanna do, I need to know if I'm gettin' through, I
Don't wanna be number two, I
Girl, what I do to? I
Really wanna get you in this room, I
Shoot it out like "Doo-doo, doo-doo"
Yeah, like I'm tryna have this kid with you, no, oh (Oh)
