

I Know How To Party

Bryson Tiller

Pretty woman, grown and sexy
I hope you're a cougar babe
I'm a young man, if you let me
I'll show you how I do them things

I know you think I may not know what I am doing
But I promise you'll be sure tomorrow morning
Yeah Yeah Yeah Yeah Yeah

Do you have plans baby?
Lets get freaky tonight
If you want me we can head for the door
Take my hand lady
I will lead you tonight
Be my cougar I won't tell anyone

Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah

I know I'm young but baby I know how to party
I know how to party
I know how to party
Pretty woman I tell you I know how to party
I know a thing or two what to do with you tonight

Well goddamn, you're exciting
You've really got experience
Girl can you handle all night lust
Makes you feel like you're 17 again

Don't belittle me, I'm not a beginner
Tonight I'm having your body for dinner
Hey hey yeaah

Do you have plans baby?
Lets get freaky tonight
If you want me we can head for the door
Take my hand lady
I will lead you tonight
Be my cougar I won't tell anyone

Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah

It's all over your face girl
I know you wanna try me
But take me back to your place girl
And watch me travel your body, ooh get it started

I know how to party girl I swear
Maybe I'm a baby, trust I do not care
Sit back I'll run my fingers through your hair
Baby show your emotions, I know what you want

I know I'm young but baby I know how to party
I know how to party
I know how to party
Pretty woman I tell you I know how to party
I know a thing or two what to do with you tonight

Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
Say yeaaaaaaah yeah
