Inhale

Bryson Tiller

Hm, hm
Yeah, yeah
Oh, oh
There's nothin' on top when I got that
Like, just even being around with them, no matter how popular
There ain't no real stars in here, bruh
It's just wild like, these motherfuckers doing shit
Like, I-I can't get started

And baby, you know I keep it nice and warm to satisfy (Yeah)
Baby, you know that I am always hot for you (Oh)
And if there's any kinda love that will exemplify (Any, hm)
My sweetie, I have got that kinda love times two (Boy, I'll do you)
And baby, you know I keep it nice and warm to satisfy (Yeah)
Baby, you know that I am always hot for you (Oh)
And if there's any kinda love that will exemplify (Any, hm)
My sweetie, I have got that kinda love times two (Yeah, yeah, yeah)
Haha, right

Inhale, exhale (Mm, yeah)
I'ma take another hit before I set sail (Yeah)
When my text fail, I had hit you from another cell (Oh)
Told me "Get well," did you mean that? 'Cause I can't tell
I ain't feelin' well, kept it and then my tears fell (Mm)
Yes, I spent all these fuckin' years dwellin', yes, I feel irrelevant (Yeah)
And in this room, it's you, me and this elephant (Oh)
I'm jealous and hit your cell up for the Hell of it (Baby you know)
She think I'm movin' shaky (Mm, no tellin' when she comin' forward)
Baby girl, I miss when you adored me (Yeah)
When you left me, honey, that shit tore me (Oh)
Fuck bein' on Forbes, I felt rich when I was yours
Feel more like a corpse, all these women been a bore (Mm)
Seven-thirty trap sale, will the call girl get on board? (Yeah)
Yes of course, I kept this bedroom nice and warm for you (Oh)
Yes I call, maybe signal's gone for you, my baby (Baby you know)

And baby, you know I keep it nice and warm to satisfy
(Kept this bedroom nice and warm for you-for you)
Baby, you know that (Yeah) I am always hot for you (Trapsoul King)
And if there's any kinda love that will exemplify (I'm around these niggas and they, they corny)
My sweetie, I have got that kinda love times two (They don't let anyone around, they corny
I've actually been around these niggas
I'm like, I was always been around good people
I'm not from, like, this whole, like, Hollywood, that type)
And baby, you know I keep it nice and warm to satisfy (That pop shit, like, that type, that's not where I'm from
So just bein' where I'm from, and being dropped into this shit
Is just super, like, everybody crazy)
Baby, you know that I am always hot for you (Everybody corny as fuck)
