

Keep Doing What You're Doing

Bryson Tiller

Well, son, I hope you enjoy your birthday
And you have a blessed one
And I love you
From the bottom of my heart, Mamaw

I wish I believed
I wish I believed when you
Told me you believed in me
I wish I could see in me what you seen
When we talked last, you just told me two things, said
I love you

And no matter what, keep doing what you doing
Keep doing what you doin'
Whatever you doin'
Keep doing it
You gotta keep it movin'
Gotta keep it movin', yeah
Do what you do, yeah
Keep doin' what you doin'
Just leave me alone for a second

And when I found it hard at times to be myself
Not me, just me and myself
Myself, myself
Out there doin' what I'm (Wait)
Doin' what I'm doin'
I think that's what got me here
I gave it my best and that's exactly why I'm here
Hated how it felt to be in debt, to bein' failed 'til I did somethin'
Self-reflectin', thinkin' 'bout the testaments and wisdom
Make sure you got a will, there's a way when there is one
Keep doin' what you doin', go do what's already been done
I know you got it in you

Yeah, yeah, baby, I
Yes, I know you got it in you (Yeah, yeah)
Yes, I know you got it in you, oh
Oh, oh, oh (Baby, I)
Oh
