Tiller Instinct  
I don't know man, it's just... [laughs]  
Why are you so paranoid (I can't help it)  
Why are you so paranoid (ay, they didn't know I could sing girl)  
Don't be so...

They say to me  
Don't worry 'bout it  
I'll be famous  
Keep on dreamin' about it  
I worry 'bout the wrong things, the wrong things  
I worry 'bout the wrong things, the wrong things  
I'm tryna do my own thing, my own thing  
And put on for my home team, my own team

Ya  
Everybody tellin' me I should never think about it  
(I'd rather somebody tell me I can't be successful)  
Sometimes, I just don't really give a fuck  
(Even though I can, ha)  
(Where my fans at? That's what they tell me)  
Anyway, they don't know you like I do  
(They know, they know)  
They never know you  
(Famous, one day)  
Anyway, they don't know you like I do  
(They know, that I'll be...)  
They never know you

I'm paranoid, yo  
And sometimes I be thinking this ain't for me  
But when I hit 'em with the flow  
Everybody up, everybody standin' at their feet  
They never would've guessed  
Somebody so talented would ever give up, no  
I made a whole mixtape just to show a nigga I deserve a deal  
Show 'em I could go  
If they sleepin' on me then I'm Freddy, Kroeger  
Time to win it all, man  
Forget these losers  
Haters won't befriend me  
But that goes against my killer instinct

Anyway, they don't know you like I do  
They never know you  
Anyway, they don't know you like I do  
They never know you
