

Undertow

Bryson Tiller

I can feel your breath on my lips
Exercise your confidence, I don't mind
I can feel you're pullin' on my wrist
Anywhere you want us to exist, we can fly
Add you to my mornin' routine
Hope you don't get bored with me overtime
Have you ever fallen fast asleep?
Woke up in your favorite dream by my side

I can feel your heartbeat on my chest
Are you overwhelmed by my eagerness? (Hey, hey, hey)
You fit the description, my interest
Can we help each other get undressed? (Oh)

Like the undertow (Yeah-yeah, yeah-yeah)
You are
Like the undertow (Yeah-yeah, yeah-yeah)
You keep on pullin' me in
I won't put up a fight, you win
Undertow, oh, oh (Nah-oooh)
(Yeah-yeah, yeah-yeah)
You are

I can see the hearts in your eyes
Affect me like the moons do the tides on the wave
Lock me down on mind doin' time
Long as you're servin' that life sentence with me

I can see your handprint on my chest
Are you overwhelmed by my eagerness? (Hey)
You fit the description of my interest
Can we help each other get undressed? (Oh, woah, yeah)

Like the undertow (Yeah-yeah, yeah-yeah)
You are
Like the undertow (Yeah-yeah, yeah-yeah)
You keep on pullin' me in
I won't put up a fight, you win
Undertow, oh, oh (Nah-oooh)
(Yeah-yeah, yeah-yeah)
You keep on pullin' me on
Won't put up a fight, you win
Undertow, oh, oh
(Yeah-yeah, yeah)
(Yeah-yeah, yeah-yeah)
You are
(Yeah-yeah, yeah-yeah)
You are
(Yeah-yeah, yeah-yeah)
You are
