They call us BSS
Hey, hey, hey

Small things set off a mouthful

Of rough words on weekdays
To-do list exploding like
Hot popcorn
Oh, whatever
Every day's like puberty
"We're young," the sun
Will rise some day

CBZ (CBZ)
Everyone go change into your
CBZ

Do whatever you want, who cares?
Except for one thing, mother's nagging
Why do you worry already?
Happiness is BSS, we are CBZ, let's go

Hey, hey
Happiness is BSS, we are CBZ

I'm clocked out, so why's my phone still hard at work
Messages piling up, open with a slip of my finger
Oh, whatever
Every day's like puberty
Today's dress code
It's CBZ

CBZ (CBZ)
Everyone go change into your
CBZ

Do whatever you want, who cares?
Except for one thing, father's nagging
Why do you worry already?
Happiness is BSS, we are CBZ, let's go

Youth is now
Youth is now
Youth is now
Youth is now
Youth is now
Youth is now
Youth is now

Hello, fill my heart
Pour some youth to the brim
Let's have a glass spiced with the present
Happiness is BSS, we are CBZ

We are CBZ
