Fighting, yeah
Fighting

Whoops, gotta wake up, morning already
Closed my eyes, open, sun's way up in the sky
Give breakfast a pass, gotta sleep 10 more minutes, oh
Take-out coffee, go (ame ame americano)

In the stories (Why do all my friends)
Look so cool there (Why me me, only me)
Why why why why am I still struggling, why?
Why am I getting pushed around? (i-gu i-gu i-gu i-gu)

We're all earphone-wearing zombies
Everybody needs a boost up pumpin'
Come on, let's get it
We're your BSS

On a day like any other day
You hear this song start to play
We'll be there to sing it for you
Gotta keep going, what else can you do?

Fighting, yeah, fighting, yeah
Don't give it up Never give it up yeah
Fighting, yeah, fighting, yeah
We're BSS
Ah, fighting, yeah

In the stories (Why do all my friends)

Gotta keep going, what else can you do?

Fighting, yeah, fighting, yeah
Don't give it up Never give it up yeah
Fighting, yeah, fighting, yeah

Okay morning coffee is decaf
Woke up so early, I feel like crap
Ignore my missed calls like a kid
Dance with ma laziness
Stretch out my back, my arms and my legs
Ooh I feel like I'm seventeen
If I live with unhappiness
That's never worth a penny
Then I'm just wasting my time, man

Keep going keep going keep going keep going
Keep going keep going keep going keep going

Y'all don't deserve it
Unfortune is unnecessary
As everybody knows, life's
Always gonna be lame
So just try to perk up
We're playing this crumpled life like
Some down-on-his-luck Beethoven
Keep calm and play on, the next movement
We got plenty more pages left to play

Just like the way stocks go up and down
Feels like you know life but you don't know, it's crummy
Get a sip of water and slow the tempo
Okay, here you go, vitamin A B C

On a day like any other day
You hear this song start to play
We'll be there to sing it for you
Gotta keep going, what else can you do?

Fighting, yeah, fighting, yeah
Don't give it up Never give it up yeah
Fighting, yeah, fighting, yeah
We're BSS
Ah, fighting, yeah
Ah, fighting, yeah
