Come on
La-la-la-la, la, la-la-la-la, la
La-la, oh, la, oh, yeah

You worked hard
To me, who couldn't do anything but hold it in
I wanted to say this to myself in the reflection
Hey, tomorrow just put it off, put it off
It will be okay, it's okay, oh, woah-oh, yeah
From now on, it's a vacation however I want
Let your body go where the wind takes it
The day is short, everyday is a weekend, yeah
Getting closer to me who's living in my heart

Who cares what people say (Uh-huh, uh-huh)
Let's just go anywhere (Uh-huh, uh-huh)

Under the dusty sky
I will embroider time to myself
So that every predictable moment is special
I want to gift myself a party

I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone

You worked hard
To me, who finds smiling uneasy
I wanted to say this to myself in the photo
Hey, tomorrow just put it off, put it off
It will be okay, it's okay, oh, yeah
You have a lot on my mind, but you're doing well
Put your impatience aside for a moment
The four seasons are summer, everyday is a weekend, yeah
Getting closer to me who's living in my heart
(Yeah, yeah)

Who cares what people say (Uh-huh, uh-huh)
Let's just go anywhere (Uh-huh, uh-huh)

Under the dusty sky
I will embroider time to myself
So that every predictable moment is special
I want to gift myself a party

I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone
I'm happy, happy, happy, happy alone

Everyday I'm the small flower that's bloomed at
The edge of the cliff
I want to treat myself nicely today
As the happiest person in the world
I'm happy, happy, happy, happy alone

Under the dusty sky
I will embroider time to myself
So that every predictable moment is special
I want to gift myself a party

Come on
La-la-la-la, la, la-la-la-la, la
La-la, oh, la, oh, yeah
