

The Reasons of My Smiles

BSS

[Hangul]

Hoo hoo

Hoo hoo

Hoo hoo

Hoo hoo

~~~~~

~~~~~

~~~~~

~~~~~

Only if you are waiting for me
Then I could walk though the fire for you
When you say my name, the whole world stops
I'm amazed at the way you see me

~~~~~

~~~~~

~~~~~

~~~~~

Wherever you go whatever you do

~~~~~

~~~~~

~~~~~

I say

You stepped into my heart

Softer than Summer night

Became my everything

There's no way without you now

~~~~~

~~~~~

~~~~~

~~~~~

You are my treasure and my soul

You are the reasons of my smiles

~~~~~

~~~~~

~~~~~

Wherever you go whatever you do

~~~~~

~~~~~

~~~~~

I say

You stepped into my heart

Softer than Summer night

Became my everything

And now I know you're a piece of my heart

You take my hands, take my whole life

Do you see the flowers in my eyes

I'll tell you now I know

There's no way without you now
