

## Suddenly

BT

You..  
and your emotion..  
I'm on your side  
I say a prayer  
And you..  
and you're devotion  
You're locked away..  
Alone in there

And I love it when you fall..  
And I love it when you fall..  
And I love it when you fall..  
to me  
Suddenly

You..  
and your emotion  
I'm on your side  
I say a prayer  
And you..  
and you're devotion  
You're locked away  
Alone in there

'Cause I don't want you to feel forgotten  
And only you can choose your fate  
Remember that all the pain that crossed here  
And there's no space to place the blame

And I love it when you fall..  
to me  
Suddenly  
And I love it when you fall..  
to me  
Suddenly

You..  
and your addicition  
Inside your (?vl?)face(?)  
Its left a track  
For you  
it's taken over  
You run away  
The truth comes back

'Cause I don't want you to feel forgotten  
And I don't want you to fall away  
But you know there's something I've forgotten  
And notes I left for all to blame

And I love it when you fall..  
to me  
Suddenly  
And I love it when you fall..  
to me  
Suddenly

Cause you and me we're gonna be special  
You and me we're gonna be special

And I love it when you fall..  
to me  
Suddenly  
And I love it when you fall..  
to me  
Suddenly

And I love it when you fall..  
And I love it when you fall..  
And I love it when you fall..  
to me  
Suddenly

And i love it when you fall..  
to me  
Suddenly  
And i love it when you fall..  
to me  
Suddenly  
And I love it when you fall..  
And I love it when you fall..  
And I love it when you fall..  
..to me...  
..Suddenly

(Progressively Edited, including his Signature Stutter Effect He Invented along with some promising (sounding) software, sometimes the cutoff is so low you can just hear the "outline" of the sound, but this is it)
