

Suddenly

BT

You..
and your emotion..
I'm on your side
I say a prayer
And you..
and you're devotion
You're locked away..
Alone in there

And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
to me
Suddenly

You..
and your emotion
I'm on your side
I say a prayer
And you..
and you're devotion
You're locked away
Alone in there

'Cause I don't want you to feel forgotten
And only you can choose your fate
Remember that all the pain that crossed here
And there's no space to place the blame

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly

You..
and your addiciton
Inside your (?v1?)face(?)
Its left a track
For you
it's taken over
You run away
The truth comes back

'Cause I don't want you to feel forgotten
And I don't want you to fall away
But you know there's something I've forgotten
And notes I left for all to blame

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly

Cause you and me we're gonna be special
You and me we're gonna be special

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly

And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
to me
Suddenly

And i love it when you fall..
to me
Suddenly
And i love it when you fall..
to me
Suddenly
And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
..to me...
..Suddenly

(Progressively Edited, including his Signature Stutter Effect He Invented along with some promising (sounding) software, sometimes the cutoff is so low you can just hear the "outline" of the sound, but this is it)
