

Blown

B.T.O. (Bachman-Turner Overdrive)

I used to smoke my face out
Right through the sky
I used to love to freak out
Do you wonder why
I'd hear the Stones rollin'
And I'd roll too
I didn't care what I was doin'
As long as I was with you

I was blown (woo woo)
And that's what you are now
I was blown (woo woo)
Didn't care why or how
I was blown (woo woo)
Rant jump and scream
I was blo-o-own
Right inside a dream

I used to tell my story
Right out loud
I sure was in my glory
I sure was proud
But then one day I fell down
I couldn't get up
People crowdin' all around
That's when they locked me up
