

Lost In A Fantasy

B.T.O. (Bachman-Turner Overdrive)

Johnny changed his name to speedo though he never owed a car.
when the drag was down on main street, he'd be wish'en on a star.
Then one day he made some money on some heavy duty deals.
Turned some money over easy, spent it on a set of wheels..
Now he's lost in a fantasy.
he doesn't seem real to me.
Johnny's lost in a fantasy (lost in a fantasy) he doesn't seem
real to me,
whoo-who (hes lost) Johnny changed his name to Elvis, though he
couldn't play a tune.
Plays guitar like a chainsaw, said he'd be a legend soon.
Then one day he made a demo, wrote the songs, played all the parts.
Now he's front page news on "rolling stone", with records on the charts.
Now he's lost in a fantasy.
he doesn't seem real to me.
Johnny lost in a fantasy (lost in a fantasy) he doesn't seem real
to me, whoo-who (he's lost)
