

Always And Forever (?????)

BTOB

Yo, this one's for you
Wherever you are, you're probably better off
In a better place but I'll be honest, yeah, it's hard

'Cause if I could, I would like to see you one last time
But I know that's not possible so, uh, here's my goodbye
You'll always be in my memories, won't ever forget you're gone
I'll say farewell to you for now
But who knows how the story will go on

Ima mo oboete iru yo sukoshi utsumuite
Koboshita chīsana kotoba
Dōshite kono-te no ba shite
Furue teru kata o dakishimenakatta nodarou
Tōrisugita kage ni ano hi no jibun kasanete
Komorebi no yō ni
Yuruyaka ni kisettsu wa iku

The only cure for this pain I feel
Is to let time pass like a rolling wheel

Zuttozutto boku wa kimi no sobaniruyo
Tatoe koe wa kikoenaikute mo itsumo itsumo
Sono kokoro ni yobikakeru yo
Kagayaite aruga mama no kimi de

Ano hi eranda ashita
Chīsaku unazuite kawashita tōi yakusoku
Pazuru umaranu pīsu o itsumo sagashite iru
Arifureta machi no keshiki ni
Kioku wa katamichi mōnidoto wa modorenai
Kinō taguri-yose dakishimeta toki no kakeru

I regret my past, I truly do

Zuttozutto boku wa kimi o omotte iru yo
Hohoemi au koto wanakute mo
Itsumo itsumo sono namae o sakende iru yo
Don'na hi mo ai ni michita kimi de

Yumewomita ano toki no kimi no egao
Amarini mo senmeide wasuretakunaidarou
Itsu karadatta no ka boku no itami ni natta,-kun
Dōshite kon'nani aita kattanoni
Rakuyō ga chitte yuki ga tokeru yō ni

Kagayaite aruga mama no kimi de

Whenever I go to the places that we've been

I always think of you, no, I won't forget

Kagayaite aruga mama no kimi de

Whenever I move, you do too so, I'll wait patiently for you here
'Cause we may never cross paths again and that's my one and only fear
Or maybe you're waiting somewhere else for me to come to you
But our likeliness of meeting are just as low as the sun and moon
But it's like you're one out of the million stars in the sky above
Watching every move I make somewhere from afar
Even though time has passed
You remain the same to me in my dreams
As I wake, eyes full of tears, with no one next to me
