I'm walkin' this way, where we first met
There are memories of all the days that we had
And I can see the shadows of trees and
They're still big or maybe even bigger
It's hard to endure this pain
It feels like I'm losing my vigor

Even the most broken hearts, time can heal
So, I tried to let time pass
'Cause I don't wanna feel this pain anymore
But my life must be on rewind
'Cause as time passes by, the more you're on my mind

Boku wa ima ai ni ikou kimi ni ima ai ni ikou
Tokiwoete ikou ashita wa waraeru yō ni
Boku wa ima ai ni ikou kimi ni ima ai ni ikou
Tokiwoete ikou futari de aruite ikou
