So white like the first snowfall at night I
I miss you, I love you
Think of you all the time
I knew from the first sight that
I will always be with you
'Cause I wanna spend my life with you

I didn't believe in love at first sight
Then I saw you, that's when I knew it's true
It does exist, oh man (oh man)
I feel so blessed, Amen (Amen)
To have met a girl like you
Yeah, this feeling, it's so new
Girl, I think about you all the time
I can't seem to get you out of my mind
You've got no flaws, you're a gift from God, girl
For what reason, I don't know why
Must've been a really good boy
For Him to give me a gift that shines so bright (woo~)
Shine even with no lights
You're perfect in my eyes
Girl, you make me feel warm even when it's cold out
Love you with all of my heart, no doubt

I wish you a Merry Christmas
I wish you a Merry Christmas
Kimidake o kimidake o aishiteruyo eien(towa)ni
