I wish you well, I truly do
Cause as long as you are happy, I am too
Just like Bruno Mars said,
"I hope he does all the things I should have done for
you, when I was your man"
Take you out to dine, hug you tight, make sure that
you smile bright
Like you always do from eye to eye
But if he doesn't, hey just remember...
My heart is always open for you, my dear bride
Kamisama, dō ka futari o zutto mamotte kudasai
Yameru toki mo sukoyaka demo
Yorisoi aeru yō ni
Aisuruhito o sono-te de

Hontō ni kokoro kara omedetō
Since you're gonna go, you've got to promise me
You're gonna live the rest of your life happily
Hontō ni kokoro kara omedetō
It's true, I hated the guy standing next to you
But your smile made me realise how big a fool I was
But now I see. if you want to live happily, I gotta let
you be
Iki ga tsumaru hodo ni
Utsukushiku shiroi tenshi
Mō kimi no te o nigirenai
Tada shiawase ni
