A listen up! My name is Peniel from BTOB
But yall already knew that
Hey, where ma members go?
Ill, Mr.Lee?

Have a drink, empty it and have a glass of water
Everyone cheers, have another drink, have a drink with me
Like it's the first time, until the sun rises, hey
Have a drink, empty it
And have a glass of water, yeah yeah

People are becoming half-corpses
They're tying their neckties around strange places
Only after the sun rises, the day is over
Let's make the sky the roof
For those who are falling asleep
Yeah that's what we do
Even if the world splits in half tomorrow
My party mood won't go down
Many brothers are waiting for you
So don't feel lonely and just come here
If today is the last day, then fill up your drink
Even if you're in a fight, you'll be having a drink soon
Don't worry be happy, drinkin' and drinkin'
Avoid your parents asking when you're coming home
Yes alright, a good night
Let's greet the morning sun and say hi
You seem a bit lonely on your way home
When you get on the bus, you'll get a little sleepy

Have a drink, empty it and have a glass of water
Everyone cheers, have another drink, have a drink with me
Like it's the first time, until the sun rises, hey
Have a drink, empty it
And have a glass of water, yeah yeah

All ma people say yeah! (Yeah)
All ma people say ya! (Ya)
All ma people say yeah! Yeah! Yeah! Yeah!
All ma people say ya! Ya! Ya! Ya!

We're gonna go at it crazily all night
Sounds like things are crazy from here and there, good
Pour, drink, pass it around, drink again
At the end of the night, dirty dancing
Play, play, let's play
Who cares if the sun is up, we're young, let's play
Mindlessly, dizzy, swaying
Swaying as I walk, where am I?
Throw away all your worries over there
Reality can be a bit scary
But this marathon is long so take a break while you can
Your passionate youth, enjoy being young
This station is Puke Station, this party is the end
People who haven't said goodbye
Want to say hello to the floor
People keep kissing, even without love, getting drunk
Jumping around while others are going to work
This generation's youth doesn't know how to tire

Have a drink, empty it and have a glass of water
Everyone cheers, have another drink, have a drink with me
Like it's the first time, until the sun rises, hey

Have a drink, empty it
And have a glass of water, yeah yeah

All ma people say yeah! (Yeah)
All ma people say ya! (Ya)
All ma people say yeah! Yeah! Yeah! Yeah!
All ma people say ya! Ya! Ya! Ya!

I'm gonna go wild all night long
Going, dance to my favorite songs
Pop bottles get girls tonight
I'm going to do whatever I want
Everybody bottoms up let me see
Your empty cups
Fill it drink it down repeat it again tonight
We'll, gonna go all the way till the end

Have a drink, empty it and have a glass of water
Everyone cheers, have another drink, have a drink with me
Like it's the first time, until the sun rises, hey
Have a drink, empty it
