Gotta be my lover lover lover lover

Baby cuz I don't know what to do

Cuz I don't know what to do

Cuz I don't know what to do

Baby baby

Oh my you've got a new boyfriend

What was I doing

It shouldn't be like this. They are already

I was the one who left you

But this is real. I can't deny

Now I don't even have anything

What a shame

Baby cuz I don't know what to do

Cuz I don't know what to do

You gotta be my lover

I was to be absent for a short period of time

You gotta be my lover

But you were not

How can you be with someone else already

Should I see you from the distance?

How can you be changed that fast

Could you give me one more chance oh

Baby cuz I don't know what to do  
Cuz I don't know what to do  
Make a room for me  
Baby cuz I don't know what to do  
Don't know what to do

Why are you so normal. Was I the only one who  
Was upset? Even worse, you are prettier than before  
I stutter in front of you, this is shameful  
I don't have vision, but I see the future  
I go back home immediately  
And cover myself with the blanket  
Baby cuz I don't know what to do  
Cuz I don't know what to do

You gotta be my lover  
I was to be absent for a short period of time  
You gotta be my lover  
But you were not  
How can you be with someone else already  
To be honest, I don't want to hope the best for you  
It's low, but so what  
When I see you, I'm not being myself

How can you be changed that fast  
Could you give me one more chance oh

Baby cuz I don't know what to do  
Cuz I don't know what to do  
Make a room for me  
Baby cuz I don't know what to do  
Don't know what to do

You are sharing everything that was mine  
With everyone  
Not changing your face

I can't believe it  
Just because of the stupid pride  
Ok, alright I made a big mistake  
But hey I'm human too  
Can you please forgive me?

How can you be changed that fast  
Could you give me one more chance oh

Baby cuz I don't know what to do  
Cuz I don't know what to do  
Make a room for me  
Baby cuz I don't know what to do  
Don't know what to do
