Kōkai nante nai Show And Prove
Yurasu kono sekai o
Subete no kokoro o hitotsu ni
Ima utau merodi de
Show And Prove takaku hora
It's time to hit the road

We had a rough start but look at us now. One step at a time, all the way up
We're getting better. Give up? Never Wanna judge? It don't matter
We keep going, we still growing, we stay hustling, I know ya'll know it
You gotta give us credit for that you know you can't deny it (Whoa)
10 years and we still going strong (Oh yeah)
And we're still just getting warmed up (Right now)
If you overlook us
Then you're gonna miss out
You'll for sure regret it later on (Uh)
This is for the haters (This is for the haters)
Get lost I'll see you later
