Hi beautiful, so beautiful
I can't think of any other words
Beautiful, so beautiful
Unbelievable

Embrace the world in my arms
Step forward to face the world

Could it get any better than this?
Could my heart feel more overwhelmed than this?
Nothing can compare to this
I'll sing forever, just for you

I'm thinking to myself, can this get any better?
But I already know the answer, it won't happen, yeah
AM to the PM, if you're right next to me, then
I don't need anything else, all I need is you, woo (Oh, woah)
I'll sing for you
A feeling I've never experienced before, A to Z
Always be by your side

Embrace the world in my arms (Ooh, ooh)
Step forward to face the world

Could it get any better than this?
Could my heart feel more overwhelmed than this?
Nothing can compare to this
I'll sing forever, just for you

Can't even try to imagine living my life without you
You're my source of serotonin
The burst that I need
You're what helps me make it through
I can't live without you
Can it get any better? I don't even have to think (Ooh)
No way
No way (Yeah)

I'll give you happiness greater than this (I'll give it to you)
I'll give you love more overflowing than this
Nothing can replace you
I'll sing forever, just for you (I'll sing for you)

I'll be there for you baby (Ooh-ooh)
I'll overcome any hardship in the end
Nothing scares me anymore
I'll laugh, cry, and sing of eternity
Until I reach you
I love you
