No more texts no more fights
No more late phone calls at night
Today's the last day that we'll ever be together
Tomorrow we'll be nothing but strangers to each other
Going through our days just doing our own thing

Today's the last day that I might see your face
Don't want it to end but girl I won't pretend
Cuz I know that we both gotta go our separate ways
But I still pray
I'll be able to see you soon with a smile across face
