We are so awesome from now on
Let's party together

I know I shouldn't do this
She is my friend's girlfriend
But I really don't know
Why I keep thinking about her. I don't know

I'm so scared
I know I can't leave anyone
It's so hard
I shouldn't do this. but I miss her again

I've already fallen, fallen for you
Like destiny's joke
(Get 'em all, get 'em all, get 'em all)
I've fallen, fallen for you
I can't hide it. but you've already been

My friend's girlfriend my friend's girlfriend
Why do I keep getting pulled to you?
My friend's girlfriend my friend's girlfriend
I shouldn't do this. I don't know

I'm drunk from a light drink
I don't wanna be a stranger to you
I'm jealous of how people whisper about you two
It's just staring at a pie in the sky. friend, I'm sorry
Don't ask her where she is right now
I can hear her over the phone
Will you forgive me if I apologize right now?
Or should I just hide it from you forever?

I'm so scared
I know I can't leave anyone
I'm going crazy
I shouldn't do this. but I miss her again

I've already fallen, fallen for you
Like destiny's joke
(Get 'em all, get 'em all, get 'em all)
I've fallen, fallen for you
I can't hide it. but you've already been

My friend's girlfriend my friend's girlfriend
Why do I keep getting pulled to you?
My friend's girlfriend my friend's girlfriend
I shouldn't do this. I don't know

Is this dude my friend
Or the devil who took away my love?
I'm so out of it, is it the other way around?
It's too hard to hold onto this rationale
I can't believe I fell in love with my friend's girlfriend
This is crazy. oh god why me
Friend, I love you, forgive me
I have no choice but to drink this poison

My friend's girlfriend

I've already fallen, fallen for you
Like destiny's joke
(Get 'em all, get 'em all, get 'em all)
I've fallen, fallen for you. I can't hide it
But you've already been

My friend's girlfriend my friend's girlfriend
Why do I keep getting pulled to you?
My friend's girlfriend my friend's girlfriend
I shouldn't do this. I don't know
