A yo let me introduce my-self man
Cool and hot
I'm gonna go in. Let's go!
This isn't a good way. I need to take action
I need to get hired and settled into your nest
Hyungs can talk to me but it won't work
I can talk but it won't work
I know this. I don't wanna live like this either

Bow wow wow yippie yo yippie yay
Came from Chicago but I'm here to stay
Bow wow wow yippie yo yippie yay
Maybe I'll look for a girl since I'm lonely

Yeah I live alone - Maybe I have the spirit of a
Bachelor in me - But I don't give up. I'm still young
I'll keep working, like working and working
I know all the rules of being single so take me away
I'll give you my address

I was too shy to talk in front of her
So I had puppy love from far away
Now I'm looking for a girl to lead me
That kind of girl. I'm in a rush to find her

One man show. I fall in love by myself
One man show. My heart flutters by itself
One man show. One man show

Finding a girl, picking the stars from the sky
It's too hard. It's harder than saving Private Ryan
Hyungs can talk to me but it won't work
Because hyung, you're the same way
I really don't wanna be alone this year

Bow wow wow yippie yo yippie yay
I'm looking for a girl that likes me

Bow wow wow yippie yo yippie yay
I like you, how about you?

Hello ma name is Minhyuk, bachelor number 2
You all seem confused but I am quite normal
My manners are my base. My looks are quite nice
Oh my, I'm strong and I last a long time
That's me hehe

I was too shy to talk in front of her
So I had puppy love from far away
Now I'm looking for a girl to lead me
That kind of girl. I'm in a rush to find her

One man show. I fall in love by myself
One man show. My heart flutters by itself
One man show. One man show

Now I wanna be a man and tell someone
But I've never confessed to anyone, what do I do?
The weather's getting colder. I'm so lonely
I'm at an age where I wanna know love

I may not be a flower in the field
But I'm a tough and strong weed - The king
Of the beggars. A man with a strong spirit. Aren't I cool?
An important second lead is cooler than the lead
This is a dating simulation. I'm the star
One day, I'm stranded on an island with a strange girl
A. You just hug her B. I look for my own survival
I think for a few days and I finally answer, A!

One man show. I fall in love by myself
One man show. My heart flutters by itself
One man show. One man show
