BTOB

Kika sete yo mōichido dake
Aishi iso no koe de mōichido
Kika sete yo mōichido dake
Nando kiita tte naze ka shinji rarenakute

Can you tell me one more time what you just said (What'd you say)
I haven't properly processed it in my head (Not yet)
I know we're just friends (Yeah)
But we can make that end (Yeah)
To be completely honest I had feelings for you from way back
Ey when we first met (Yeah) How could I forget (Can't forget)
And now you're telling me (What?)
That you've caught feelings? (Woo)
Oh hell yeah let this chapter of our lives begin
I've dreamt of this moment so much it's like I've been practicing

If I am with you every day and every night
Sekai de kore ijō nai shiawase
Ichi-byō datte oshimanai
