Dollar Dollar
I waste all my fortune overnight
Run, run, I earn my luxury
Run, run, run, run
Run, run

I want cruisin' on the bay
Want to cruisin' like NEMO
I don't have the money but I want to leave, far away
I don't even have the money but I want to relieve this exhaustion
I don't have the money but I want to try Jiro Ono

I worked so hard and earned my pay
All of it, into my tummy
I collect every drop and have fun wasting every drop, I spend it all
Let me be, even though I overspend
Tomorrow morning, I may act crazy
And withdraw installment savings

WOO there's no tomorrow
There's already a mortgage on my future
WOO I spend more of my money
Friends wussup
Do you want some?

DOLLAR DOLLAR
I spend it all in a day
Run, run man i spend it like some party
DOLLAR DOLLAR
Until every dog has his day
Until the sun rises

My week, Monday Tuesday Wednesday Thursday Friday Friday Friday Friday
My checking account is yah
It's got a hollow leg
I'm pouring into it every day

I'd rather break it
We are too young to just worry
Just for today I'd Go than worry
If you keep saving out of fear, it all turns to waste
Just swipe it

DOLLAR DOLLAR
I spend it all in a day
Run, run man i spend it like some party
DOLLAR DOLLAR
Until every dog has his day
Until the sun rises
