At the blink of an eye, I went to grade 2
Pulling on my chains again
Cause time flowing fast
(Still everyday) Bang it bang it, bang it bang it
(Still everyday) Bang it bang it, bang it bang it
At the blink of an eye, I went to grade 2
I only chased my dreams
But now I'm setting the stage on fire

Nothing's really changed baby
It's my second year of k-pop
I'm still 181 baby

Only my heart grew taller
I'm the first in my class baby
I even got the rookie award
Going around the halls
I even get greeted by new juniors
I think I know what's going on now
Rehearsals going smoothly
I have juniors a year below me
And I think I'm doing well now
Ah, shit
But I see seniors five and six years above
(Hello!) Now I realize
I'm still far away
Teachers didn't give
Pressure last year
Saying that I'm just a rookie and that it's okay
They sat me down and
Taught me how cold the world is
With a few subjects
Bias, negative comments, double standards
Smack talk and disinterest
Teacher, do we have suneung for this too?
If I get first place, will I be a successful artist?
That's good too but I wanna do music
I'll just do what I want for now so leave me alone

Work it out work it out 24 hours
Burn it up burn it up, burn up every moment
Put back your worries
Even after a year, we live for today

At the blink of an eye, I went to grade 2
Pulling on my chains again
Cause time flowing fast
(Still everyday) Bang it bang it, bang it bang it
(Still everyday) Bang it bang it, bang it bang it
At the blink of an eye, I went to grade 2
I only chased my dreams
But now I'm setting the stage on fire
(Still everyday) Bang it bang it, bang it bang it
(Still everyday) Bang it bang it, bang it bang it

I'm already in my second year (oh no)
At the blink of an eye, time is so fast (go go)
Work hard play hard right
A year passed like a miracle bye
But what to do?
I'm getting worried
I might be a bit more comfortable
But there's still so much to learn
Every time I get a break
The teacher keeps nagging
"You need to take the test!"
What do you mean test
Teacher, we are human too
Just nod along, nod
Let's push everything back today
And go tease the juniors
I'll go to the PC cafe today, I can't sleep

Work it out work it out 24 hours
Burn it up burn it up, burn up every moment
Put back your worries

Even after a year, we live for today

At the blink of an eye, I went to grade 2
Pulling on my chains again
Cause time flowing fast
(Still everyday) Bang it bang it, bang it bang it
(Still everyday) Bang it bang it, bang it bang it
At the blink of an eye, I went to grade 2

(Still everyday) Bang it bang it, bang it bang it
(Still everyday) Bang it bang it, bang it bang it

A second year rapper, put a score on him
Fortunately, I put up a good defense
I'm still a child, I kept running
But am only in my second year
Like Gulliver traveling between strangeness and reality
I don't care about others
I'll just go with the flow
Bring all the losers with bias to me
Looking back makes my blood dry up
Shut up, I'm in my second year
The starting point of a new era
Hide carefully or else you'll see past my tricks
Whether you're a senior or junior or teacher
Get the out

At the blink of an eye, I went to grade 2
Pulling on my chains again
Cause time flowing fast
(Still everyday) Bang it bang it, bang it bang it
