El Mariachi

An odd kid

He sang as if he was breathing

Wherever was fine

He only wanted to do music

Only singing

The thing that made his heart beat

Although he walked down the only path

It's not easy

Failure and frustration

Words that someone gave me after calling me, exhausted, to stop

You're a singing star

You're a singing star

But I see no star...

After some years passed by

(We still) Sky high, sky fly, sky dope

(We still) Same try, same scar, same work

(We still) Wherever in the world we go

(We still) We work in our hotel rooms

(I still) One day it works out too well, then the next day I'm completely screwed

(I still) Who should I live as today, Kim Namjoon or RM?

25, I still don't know how to live well

So, today as well, we just go

We goin' from NY to Cali

London to Paris

Wherever we go, party

El Mariachi

El Mariachi

El Mariachi

We goin' from Tokyo, Italy

Hong Kong to Brazil

Wherever in the world, I will sing

El Mariachi

El Mariachi

El Mariachi

El Mariachi

Every day above the clouds, Every day above the clouds

My feel above the clouds, Check it above the clouds

My chemistry with the clouds, All day with the clouds

The fun of riding the clouds, Fade in looking at the clouds

You don't know maybe

Thanks to years of flying

I got a few hundred thousand mileage

It's time to console you who couldn't make it

I'll give you the flight points as a present

Love the airplane mode, Turn off all the concerns

No matter what anyone says

I'll just continue to keep the first

And look at the night sky as it fits my place right now

I don't know, I don't know, I don't know, I don't know

Yeah how to stop

I don't know, I don't know, I don't know, I don't know

Yeah how to take some rest

I don't know, I don't know, I don't know, I don't know

Yeah how to fail

I don't know, I don't know, I don't know, I don't know

I got fed up by you cutely bragging about your money on TV

My passport is about to die from overwork

You're the ones who benefitted from media, bwahahaha

Hey, hey you're the ones who're better at playing celebrities

We're still the same as back then

Woo!

We goin' from Mexico City

London to Paris

Wherever we go, party

El Mariachi

El Mariachi

El Mariachi

We goin' from Tokyo, Italy
