Waiting for you, Anpanman  
Waiting for you, Anpanman

I don't have biceps or pecs  
I don't have a super car like Batman  
My ideal is a really cool hero  
But all I can give you is just Anpan  
I've dreamed of becoming a hero like Superman  
I jumped hard, jumping high up in the sky  
I'm not afraid of bruising my knees  
A delusion of my innocent childhood

I'm not a superhero  
Don't want too much from me  
I can be your hero  
I'm really not sure whether this even makes sense  
But mom, I really need to do it  
Who's gonna do it if it isn't me?  
You can call me, say Anpan

Waiting for you, Anpanman  
(Lemme hear ya say, lemme hear ya say)  
Waiting for you, Anpanman  
(Turn it up, turn it up, turn it up)

Keep spinning and spinning my Anpan  
Keep ballin', ballin' still Bangtan  
As I open my eyes, I'm a hero, but still in maze  
That young man, young man, young man  
Keep secretly, secretly getting covered in bruises  
But ballin', ballin' still Bangtan  
Even if I'm hurt, I'm a hero, Put the fear behind  
Anpanman, panman, panman

I'm a new generation, Anpanman  
I'm a new superhero, Anpanman  
What I have is a single blow of this song  
Lemme say "All the bad men, cop out"  
I'm a new generation, Anpanman  
I'm a new superhero, Anpanman  
What I have is a single blow of this song  
Lemme say "All the bad men, cop out"

Sometimes I'm afraid of all this

Because I came to have so many things that I love  
Some say, you're almost an old fossil now  
You're not qualified, Just do what you've been doing well  
But I still want to be a hero  
All I can give you is Anpan  
And a word, "You've worked hard,"  
But I'll fly to you right away if you call me  
Please call me

Waiting for you, Anpanman  
(Lemme hear ya say, lemme hear ya say)  
Waiting for you, Anpanman  
(Turn it up, turn it up, turn it up)  
I'll muster up the strength a little more  
(Lemme hear ya say, lemme hear ya say)  
I'll be your strength  
(Turn it up, turn it up, turn it up)

Keep spinning and spinning my Anpan  
Keep ballin', ballin' still Bangtan  
As I open my eyes, I'm a hero, but still in maze  
That young man, young man, young man  
Keep secretly, secretly getting covered in bruises  
But ballin', ballin' still Bangtan  
Even if I'm hurt, I'm a hero, Put the fear behind  
Anpanman, panman, panman

To be honest  
I'm scared of falling  
And of turning you down  
But, even if it takes up all my strength  
I will be sure that I stay by your side  
Although I'll fall again  
I'll make a mistake again  
And I'll be covered in mud  
I believe in myself because I'm a hero  
Yeah, yeah

Spin and spin my Anpan  
Keep ballin', ballin' still Bangtan  
As I open my eyes, I'm a hero, but still in maze  
That young man, young man, young man  
Keep secretly, secretly getting covered in bruises  
But ballin', ballin' still Bangtan  
Even if I'm hurt, I'm a hero, Put the fear behind  
Anpanman, panman, panman

I'm a new generation, Anpanman  
I'm a new superhero, Anpanman  
What I have is a single blow of this song  
Lemme say "All the bad men, cop out"  
I'm a new generation, Anpanman
