Only you
Only you

(One, two, three, four)

I'm doing so many things, I've become a tree 1
Why am I getting weirder in front of you?
I'm not a pre-schooler but
Why is everything
So childish?
Look at my eyes
My jokes aren't serious
Saying this is so hard
I like you
I was too shy to become your sun
So I became a cold moon
But afterwards, I keep making
A wave of blankets on top of my ocean bed

(Slam! Slam!)
I jump around like a crazy guy
Winning over embarrassment with some UFC moves
With a high kick and a jab and a hook
With some pounding
I let it all out in my blanket
Oh gimme an iron so I can smooth out my hands and feet
You have already made it
Into several lines of my lyrics
It's even more than that

But my poor blanket
I just wish you were here

Only you
Only you
Again, I'm acting weird in front of you
You're so pretty pretty pretty
But why am I like this?
I sleep and kick my blankets around

Only you woo woo woo woo woo (you)
You woo woo woo woo woo (you)
Why did I do that? My head is spinning
I keep kicking my innocent blankets (kick kick)

Oh pretty pretty pretty (pretty)
Oh pretty pretty pretty (pretty)
To me, it's only you
Only you

My eyes follow your eyes, nose, lips
But please don't misunderstand
I can't hold it in when I see you
This is such a pain
I take a big gulp and say
"Cheers instead of water"
I'm not even drunk but
I pretend to be drunk and act cute
I'm not a pencil but
I keep getting dark thoughts toward you
Did you notice my dark thoughts?
I try to hide it but I can't
It's just useless efforts

Time goes tick tock and
When I'm in front of your house
I try to set the mood
This time, I'll really pretend I'm crazy
And give you a deep kiss
So I grab your shoulders
But then the phone rings
Your dad asks when you're coming back home
Oh my god, the mood was so good
Before I sleep, I get angry at my blanket again
It was so good

Only you only you
Again, I'm acting weird in front of you
You're so pretty pretty pretty
But why am I like this?
I sleep and kick my blankets around

Should I go or not? Then I went
Should I do it or not? Then I did it
Making jokes and playing around
Getting physical and acting cute
But my arrow
Keeps missing your target
Where is it? Is that where your heart is?
Why did I do that the other day?
It's a sleepless night again today
The blanket on my bed is my sandbag
Kick kick kick

Only you
Only you
Again, I'm acting weird in front of you
You're so pretty pretty pretty
But why am I like this?
I sleep and kick my blankets around

Only you woo woo woo woo woo (you)
You woo woo woo woo woo (you)
Why did I do that? My head is spinning
I keep kicking my innocent blankets (kick kick)

Oh pretty pretty pretty (pretty)
Oh pretty pretty pretty (pretty)
To me, it's only you
Only you
