"Name, name!" sorry bae
"Pronunciation, pronunciation!" sorry bae
"Diction, diction, diction!" sorry bae
"Oh, face not an idol.." sorry bae
I'm sorry bae because I'm breathing
I'm sorry bae because I'm so healthy
I'm sorry bae I'm broadcasting
Errthing errthing errthing
Sorry bae
The sound I'm making right now, bae
Is all dog noise to someone, bae
You should change your bashing pattern, bae
It'll start to get boring, boring bae
I don't dislike you anymore
I don't dislike you anymore, sorry bae
I'll be the drum, just hit me hard
Let's just try it, samulnori, bae
I'm a monster, my tail is too long, bae
You'll shoot me anyway, bae
In that case, a zoo would be more comfortable, bae
You want it too, something to chew on, bae
Even if you don't like me, you know me
Even if you don't like me, you know me
I like hate comments more than no comments
I don't know you

But you know my name
I love I love I love myself
I love I love I love myself
I know I know I know myself
Ya playa haters you should love yourself
Brr

I wanna get sleep time
Without a chance to rest, we're receiving spotlight
Ahh you wanna be my life
Those who are starving, just be my human shield
Contacted softly and got spammed on my accord
Haul to the stage all innocent okay
But I can't be satisfied just being here
I'm climbing up there, high high high
That's right, my method is different
I take on the road no matter what
Sewing stich by stich
If you're not able, put an end to it
There is no possibility
Of pronouncing "failure"
I love ma rule, the work that I do with my bros
Players in a league of their own
I'll become the supervisor above them
So come what may
Following 1VERSE, I'll draw a bigger picture
For the rest of your life,
Continue screaming from that position
Dream come true
Honor and wealth isn't that you
Everyone chu on my foot sole after all
Click, I'm cat, everyone's mouse
I choose and put an X like kaws
I move in next year ma house
And high five with my brick
Open your eyes and look at my ambition
Lean in your ears and listen
This will be the first and final words

I love I love I love myself
I love I love I love myself
I know I know I know myself
Ya playa haters you should love yourself

Call me a crow tit or badass
Yes in this rap game,
I'm the generous one
To rehabilitate the rap man who began to slack
Is my first plan hashtag

That's their life,
My life is just day by day
Payday, paycheck, rolex on my wrist
Click clack to the bang hang
Click clack to the pow
I'm so high how dare you covet
Even if you run up to it, it's too high for you to reach
The difference is pretty big, you can't see it
After shattering your delusions
About your shitty cars

And once everyone's done toying with them

So fly above your face that became a corpse
Click clack to the bang, you and you
I'm always thankful, for not earning anything so easily
Why is it my fault, that your life is noncommittal
Keep on living like that vaguely
Sorry but continue to look
Because I'm gonna earn more from now
By all means please healthily

I love I love I love myself
I love I love I love myself
I know I know I know myself
