Your Converse High
Your Converse High
Converse High

I’m so into your Converse Highs
I can’t help it
I’m so into your Converse Highs
I like it so much

If I had only one day
I will go see the person who created Converse Highs
Then I’ll tell that person, you saved the world

You made that girl born again
F your Chanel F your Alexander Mcqueen
F your Raf simons, just come here and check it
You can buy two pairs with just 100 dollars,
you know what I want
White t-shirt, jeans and red Converse Highs, that's it

Alright, red orange yellow green blue violet indigo
The rainbow on your feet is shot like Rambo
It aims at me, bang bang, shout out wow wow
Together with your body makes me go hukhuk
Big taxi, big cycle, big subway
No thanks, I wanna ride the big bus1
Rather than the stars in the sky,
I wanna see the stars on your shoes
Haha, without Namjoon knowing

You pass by and become connected
You enter in and become love
Someone said that before - But I am just colored by you
I like you but still don't wear Converse Lows

I'm so into your Converse Highs
I can't help it
I'm so into your Converse Highs
I like it so much

Your Converse Highs
I really really want yo
Converse High
I really really like yo
Converse High
I really really need yo
Converse High Converse High

Converse Converse, I really hate a Converse
When you look all flashy
with your black stockings and your high heels
That's just a lie
But you look better with Jordan numbers
Ha don't you know? Converses kill your charm
Anyway, when you meet me, don't wear Converses
It's too hard to take them off of you

You pass by and become connected
You enter in and become love
Someone said that before - But I am just colored by you
I like you but still don't wear Converse Lows

I'm so into your Converse Highs
I can't help it
