Look at me I'm your errthang
You're dope? Cool? Ridiculous

Even if I st-st-stutter my words
I h-hope you understand
I la-la-lack a way with words
Bu-but I try to speak correctly but my mouth keeps ge-ge-geting crooked
Because I li-li-li-like it I li-like it very much
Rappers who don't even have haters, shut up
Where are you haters?
Look into this mirror after washing your eyes and face
There is a hater of yours breathing right in there
We celebrate rather than being celebs
Only accel no break
Who are you to recognize me
Frogs who live up to your name
I hope you die in that well
I'll pray earnestly
