Illegal  
Illegal  
But I want it anyway anyway anyway

You hide them so well but they appear when you smile  
Where do they come from  
Don't lie, you are an angel  
What are you

But you  
That smile is so cruel  
Cruel  
I shouldn't have seen your cheeks  
You  
Actually what's really dangerous  
Only you have it

Those dimples are illegal  
No it's dangerous, oh yes  
So I call you illegirl  
Your existence is criminal

Was it a mistake from an angel  
Or was it a deep kiss  
Those dimples are illegal  
But I want it anyway anyway anyway

Because I don't have them, because only you have them  
Is that why it's so hard  
I want to die in them, I want to drown in them  
You are my lake

Cause you  
When you smile, I get dizzy  
True  
Will you please be careful  
You  
Actually what's really dangerous  
Only you have it

Those dimples are illegal  
No it's dangerous, oh yes  
So I call you illegirl  
Your existence is criminal

Was it a mistake from an angel  
Or was it a deep kiss  
Those dimples are illegal  
But I want it anyway anyway anyway

Every time I see them, my heart becomes dangerous  
Every time I see them, it gets more dangerous  
Oh baby no hey  
Oh baby no hey  
It's too dangerous to be in this world

Those dimples are illegal  
No it's dangerous, oh yes  
So I call you illegirl  
Your existence is criminal

Was it a mistake from an angel  
Or was it a deep kiss  
Those dimples are illegal  
But I want it anyway anyway anyway

Illegal  
Illegal  
But I want it anyway anyway anyway
