It's burning up

FIRE [x4]

When I wake up in my room
There's nothing to do
When the sun sets again
The city blurs
I've become so drunk, so drunk
There's swearing everywhere, everywhere
It's dangerous and really insane
I've lost my mind, liven' like PEEE

It's okay to live freely
Just be yourself
It's okay to lose
Just keep moving forward
Everybody say La la la la la
Say La la la la la
Put your hands up and yell
Burn it up!!!

It's burning up

Turn everything into ashes
Bow wow wow
Turn everything into ashes
Bow wow wow

Hey, burn it up
Burn it, burn it all
Hey, turn it up
Until the break of dawn
It's okay for us to be like this
And you, who do you think you are?
Even through your complaining, I don't understand
So whaaaaaa?

It's okay to live freely
Just be yourself
It's okay to lose
Just keep moving forward
Everybody say La la la la la
Say La la la la la
Put your hands up and yell
Burn it up!!!

It's burning up

Turn everything into ashes
Bow wow wow
Turn everything into ashes
Bow wow wow

(FIRE)
Even if you're about to lose
(FIRE)
Even if you can't seem to make it
(FIRE)
Just fight it off, all night long
(FIRE)
Continue to move forward proudly
(FIRE)
Just wreck everything towards a new tomorrow!

Turn everything into ashes
Bow wow wow
Turn everything into ashes
Bow wow wow

(FIRE)
(FIRE)
Turn everything into ashes
Bow wow wow

(FIRE)
(FIRE)
Turn everything into ashes
Bow wow wow

I'll forgive you
