Dollar dollar
Until I lose everything
I'll just keep on bringing in more money

Keep on bringing it in, keep on bringing it in
I want to cruise on the bay too
I want to cruise like nemo
I don't have money but I still want to go somewhere far
I don't have any belongings
Even so I want to heal this body too
I don't have any chance
But I still want to meet you jiro ono

The pay I got through my hard work
I'll spend all of it
I'm like dirt, but I still have fun
Today is pay day
Even if it's pointless
Even if all my money disappears
It's fine that day
I'll use up all of my savings no matter how much I have

Woo, my tomorrow is so pitch black
It's like my future is gone
Woo, take all of it
Wassup with you?
Do you want some?

Dollar dollar
Until I lose everything
I'll keep on going
Man I spend it like some party
Dollar dollar
Until the day that it all changes
Until that time

Yolo yolo yolo yo
Yolo yolo yo
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Where my money yah
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Yolo yolo yo
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Where the party yah
Squandering fun, squandering fun, squandering fun

Where my money yat?
Where the party yat?
Every week is monday, tuesday, wednesday, thursday, gold
This bank account yah
It's like it has no bottom
I desperately pour water into it every day

In that case, in this situation
Just try and break apart your true personality
If you do that, you can confidently put your worries aside and go
Don't be scared and go, hurry and forget about those things
Now, do it today

Dollar dollar
Until I lose everything
I'll keep on going
Man I spend it like some party
Dollar dollar

Until the day that it all changes
Until that time

Yolo yolo yolo yo
Yolo yolo yo
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Where my money yah
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Yolo yolo yo
Squandering fun, squandering fun, squandering fun
Yolo yolo yolo yo
Where the party yah
Squandering fun, squandering fun, squandering fun

Just go instead of worrying
Just go instead of worrying
Just go instead of worrying (everybody)
Just go instead of worrying
Just go instead of worrying
Just go instead of worrying (everybody)
