I'm fine  
I'm fine

Open your eyes under the sour blue sky  
The pouring sun makes me dizzy  
Out of breath  
I can feel it

It's okay  
Even though my grief is gone  
With a black cloud  
Even if I lie in endless dreams  
Crumpled to the limit  
The wings are torn  
Even if I'm not myself someday  
It's okay  
I'm the only one who can save me  
He walks badly and never dies  
How about you?  
My sky is clear  
All the pain  
Take care

My cold heart  
I forgot how to call you  
It's okay not to be lonely  
The dark night  
You shake in a sleeping dream  
It's okay not to be afraid

I'm feeling just fine, fine  
I'll let go of your hand now  
I know I'm all mine, mine, mine  
Cuz I'm just fine  
I'm feeling just fine, fine  
I don't want to be sad anymore  
I want to see the sunshine, shine, shine  
Cuz I'm just fine, just fine

I'm just fine  
I can get through this without you  
Don't worry about I'm just fine  
Now I can laugh  
I know your voice

I'm so fine, you so fine  
All sorrows and wounds  
Now that they've past  
Smile and send it to me  
I'm so fine, you so fine  
Our future is not just about joy  
I'm gonna be complete  
Thank you

My cold heart  
I forgot how to call you  
It's okay not to be lonely  
The dark night  
You shake a sleeping dream  
It's okay not to be afraid

I'm feeling just fine, fine  
I'll let go of your hand now

I know I'm all mine, mine, mine  
Cuz I'm just fine  
I'm picking just fine, fine  
I don't want to be sad anymore  
I want to see the sunshine, shine, shine  
Cuz I'm just fine, just fine

By any chance  
Can I see you?  
This thin moonlight  
Can I hear you?  
This faint echo

I'm feeling just fine, fine  
I'm just gonna scream  
At this recurring nightmare  
On the order  
I'm feeling just fine, fine  
I'm gonna have to remind you a few times  
And if he falls again  
I'm alright

I'm feeling just fine, fine  
I'm just gonna scream  
At this recurring nightmare  
On the order  
I'm feeling just fine, fine  
I'm gonna have to remind you a few times  
And if he falls again  
I'm alright

I'm fine  
I'm fine
