I wanna be…

I wanna be a rap star
I wanna be the top
I wanna be a rockstar
I want it all mine
I wanna be rich
I wanna be the king
I wanna be me
I want a big thing
Oh boy let me see
I got a big dream yeah

Woo, I wondered everyday how far I'd go
I came to my senses and I find myself here

Yeah, hmm, shadow at my feet
Look down, it's gotten even bigger
I run but the shadow follows, as dark as the light's intense
I'm afraid, flying high is terrifying
No one told me how lonely it is up here
I can leap in the air but also plunge, now I know
Running away could be an option too, pause
People say, there's splendor in that bright light
But my growing shadow swallows me and becomes a monster
Up high, high, and higher, higher
I only go higher and vertigo overtakes me
I rise, rise, I hate it
I pray, I pray, hoping to be okay

The moment I'm flying high as I wished
My shadow grows in that blasting stark light
Please don't let me shine
Don't let me down
Don't let me fly
Now I'm afraid
The moment I face myself brought lowest
It so happens that I'm flying the highest
Please don't let me shine
Don't let me down
Don't let me fly
Now I'm scared
Don't let me shine

Smile, why are you hesitating for
Isn't it something like this that you wished for
Or cry, what are you afraid of
Isn't it something like this that you wanted
The life you wished for, the life you wanted,
the life you chose, you achieved everything with no regrets
On top of that, you have a big house, big cars, big rings,
You have everything you wanted
Then what's the problem, enjoy
Or let it go, you don't want to?
Then run, or pause
Stop whining and do one or the other
You're saying I haven't taught you that? (Yeah yeah)
You're asking if I really didn't know? (Oh no)
I'll take away exactly as much as you have, whatever it is
That sometimes your rest can be your fall
Do you get it only now that doing the best every time is the first best

The moment I'm flying high as I wished
My shadow grows in that blasting stark light
Please don't let me shine
Don't let me down
Don't let me fly
Now I'm afraid
The moment I face myself brought lowest
It so happens that I'm flying the highest
Please don't let me shine
Don't let me down
Don't let me fly
Now I'm scared
Don't let me shine

I wanna be a rap star
I wanna be the top
I wanna be a rockstar

I want it all mine
I wanna be rich
I wanna be the king
I wanna go win
I wanna be…

I wanna be a rap star
I wanna be the top
I wanna be a rockstar
I want it all mine
I wanna be rich
I wanna be the king
I wanna be me
I wanna be…

Yeah I'm you, you are me, now do you know
Yeah you are me, I'm you, now you do know
We are one body, sometimes we will clash
You can never break me off, this you must know
Yeah yeah can't break me off, whatever you do
Yeah you'll be at ease if you admit it too
Yeah succeed or fail, whichever way you flow
Yeah you can't escape, wherever you go
I am you, you are me, now you do know
You are me, I am you, now do you know
We are one body and we are gonna clash
We are you, we are me, this do you know
