Too bad but it's too sweet

It's too sweet it's too sweet

Too bad but it's too sweet

It's too sweet it's too sweet

Too bad but it's too sweet

It's too sweet it's too sweet

Too bad but it's too sweet

It's too evil

It's too evil

It's too evil

Yeah it's evil

The light of my future is dimming

Because of my childish love, I lost my way on a path of dream

The venom of my ambition, I sharpened my knife every day

But because of my uncontrollable greed,

My knife became dull

I know it all

This love is another name for the devil

Don't hold her hand

I shouted but turned away from my conscience

I feel the sharp reality more every day

There's red blood from being torn apart by reality

I never thought that

The greed would become the trumpet heralding hell

Breathe

My breath is getting shorter

I close my eyes every night from twisted reality

The music box of tragedy echoes

But in order to be free from this crime

It's impossible to forget and give up

Because those lips were too sweet

I threw my future away because I was drunk on dating

When I woke up, I was surrounded by land mines

Surrounded by people's stares that can't be touched

I shout for a miracle in this reality

(Rewind)

It was crazy good

I was an idiot addicted to sweetness

Yeah an idiot

I didn't want to let go of the devil's hand

Too bad but it's too sweet
It's too sweet it's too sweet
Too bad but it's too sweet
It's too sweet it's too sweet

Too bad but it's too sweet
It's too sweet it's too sweet
Too bad but it's too sweet
It's too sweet it's too sweet

It's too evil
It's too evil
It's too evil
Yeah it's evil
