Nothing lasts forever
You only live once
So live your life not any other's lives
Take chances and never regret never
Never be late to do what you wanna do right now
Because at one point of someday
Everything you did
Would be exactly what you will be

My father told me to enjoy life
I want to ask my father if he enjoyed his life

I want to ask why the natural became unnatural
And why the unnatural became natural
Why am I not in my life and
In some other person's life?
This is real, it isn't a gamble or a game
It's just one life
Who are you living for?
My heart stopped when I was nine or ten
Put your hand on your heart
And ask what you dream was
What is really was
