Tell me
With your sweet smile
Tell me
Tell me like you're whispering into my ears
Don't be like a prey
Be Smooth like a like a snake
I want to escape but
Ah woo woo
Get away away away from me
Get away away from me
Ah woo woo
Whatever it takes, save me, me
Save me

It keeps happening even though I run away
I'm caught in a lie

Caught in a lie
Find the me that was innocent
I can't free myself from this lie
Give me back my laughter

Caught in a lie
Take me out of his hell
I can't free myself from this pain
Save the me who's being punished

Want me
The me who has lost the way
Want me
Like always, I

I feel so far away
You always come my way
I repeat again

Ah woo woo
Get away away away from me
Get away away from me
Ah woo woo
Whatever it takes, save me, me

Save me

It keeps happening even though I run away
I'm caught in a lie

Caught in a lie
Find the me that was innocent
I can't free myself from this lie
Give me back my laughter

Caught in a lie
Take me out of his hell
I can't free myself from this pain
Save the me who's being punished

I'm still the same me
The me from before is still here but
The lie that's gotten too big
Is trying to swallow me up

Caught in a lie
Find the me that was innocent
I can't free myself from this lie
Give me back my laughter

Caught in a lie
Take me out of his hell
I can't free myself from this pain
Save the me who's being punished
